

Real Estate and Mines

If you are seeking **PROFITABLE INVESTMENTS** look in at the
GLOBE REAL ESTATE OFFICE
 The Information You Get Will Not Injure You, to Say the Least

I will show you first-class real estate investments that will be as safe as Government Bonds. By the way, how would you like to get some **ten per cent U. S. Bonds**? You would almost break your neck to get them, wouldn't you? Well, I think so, especially when a four per cent U. S. Bond will sell at enough premium to pay for a summer vacation. **Would you believe me, then, if I were to tell you** that Globe offers investments, which afford as ample security on your capital and will pay you from **twelve to eighteen per cent per annum**? Sounds like a fairy tale? Yes; but I will show you that it is true as gospel. I do not want to shock you, but here is something better yet. These properties are getting more valuable. Why? Why would ten per cent U. S. Bonds sell out of sight and keep on getting higher? Because you and your friends, and the other fellow and his friends, would be after them till the price would be run up to such a level that the investor would realize less than three per cent on his investment. **JUST SO IN REAL ESTATE.** A good thing is always **pushed along**. Investors are pushing **GLOBE REAL ESTATE**. Properties that you can buy **NOW** at **TEN THOUSAND**, and which bring in **ONE HUNDRED AND FIFTY DOLLARS** per month, will realize you, clear of taxes, repairs and insurance, at least **TWELVE PER CENT** per annum. On smaller investments you may realize as high as **TWENTY PER CENT** per annum. Now, it is only a natural sequence that other investors will be only too glad to pay much **HIGHER PRICES** for property that will yield such **INCOMES**. To those who are located here, or who contemplate locating with us, I wish to say that I **HAVE THE CHOICEST RESIDENCE PROPERTY IN THE CITY**. I will sell at the right prices and on your own terms. **INSTALLMENTS** if you wish **GET A HOME OF YOUR OWN**.

MINES—Prospective investors in mines will find me prepared to furnish reliable information regarding any mine in the District. **CORRESPONDENCE SOLICITED.**
